A COLLECTION OF FRENCH COINS

Formed By The Late David Proskey of New York City

INCLUDING EXTENSIVE SERIES OF THE BONAPARTE FAMILY AND THE FRENCH POSSESSIONS DURING THE TIME OF NAPOLEON I

PLEASE NOTE:

The coins in this collection have been arranged according to dates and mints; identification letters of these mints vary with the rulers. All coins are silver unless stated otherwise and conditions have been carefully stated. These series represent a rather continuous picture of France's history and glory. May they be a stimulant ray of hope to the Frenchmen and friends of France who have never, and will never forget her in hours of d'stress, but look forward to a renewed, rejuvenated France with

liberty, equality, fraternity.

AVIS:

Les Pieces de cette collection ont été arrangées en des suites de dates et de monnaies; les lettres d'identification des monnaies varient avec les regimes. Chaque piece est d'argent, sinon le contraire soit avisée; — les conditions des pieces sont données avec toute precaution. — Les suites presentes donnent une impression presque continuelle de l'histoire et de la gloire dc la France; esperons qu'elles deviennent le rayon d'espoir pour ces Francais et amis de La France qui ne l'oublieront point pendant les heures de misère, mais qui verront une France renouvelée et rejeunie, avec

liberté, egalité, fraternité.
